MAI Joins Japan Venture Capital Association

Mitsui & Co. Alternative Investments Limited (“MAI”) is pleased to announce that it has joined the Japan Venture Capital Association (“JVCA”) as a supporting member.

MAI is currently focusing on ESG/impact investment as one of the newly focused areas of alternative investment. As part of its ESG efforts, MAI indirectly supports promising startup companies that will contribute toward solving social issues, by way of investment monies from its clients who are active in corporate social responsibility. As a new member of JVCA, MAI strives to contribute toward the further development of impact investing and the realization of a sustainable society.

The press release from the Japan Venture Capital Association is available at:-
