

DISCLAIMER

Mitsui & Co. Alternative Investments Limited

Read this disclaimer carefully before utilizing the website located at www.mitsui-ai.com (the "Website") . The disclaimer shall apply to anyone who accesses the Website. By accessing the Website, you acknowledge that you have read the terms and conditions of the disclaimer and that you agree to be bound by them. If you do not agree to all of the terms and conditions of this agreement, you should not use the Website and are requested to exit the Website immediately.

1. Mitsui & Co. Alternative Investments Limited and Information on the Website

Unless otherwise stated, the information and services provided on the Website (the "Information") are made available by Mitsui & Co. Alternative Investments Limited (the "Company") as of the time indicated on any material related to such information or services.

2. Information intended for residents of Japan only

With the exception of certain portions, the Information is provided for the use of residents of Japan who have a full command of the Japanese language, and, therefore, it is not intended to be provided to residents of other countries.

3. Information not intended for soliciting of subscriptions to purchase securities or offering of investment-related advice

None of the Information contained on the Website constitutes a solicitation or offer by the Company to purchase any securities. The Website is for informational purposes only and the Information is not intended to be construed, or relied upon, as an investment advice. The Information on this website does not constitute an advice or a recommendation to trade any securities or to adopt any financial instruments. The provider of the Information does not take into account the suitability (i.e. investment objectives, financial situation, or particular needs) of each investor. Therefore, potential investors are urged to consult a professional advisor regarding the possible economic, tax, legal or other consequences of making any

investments or transactions. All potential investors should be aware that certain financial instruments offered by the Company may be subject to price fluctuations. Neither the Company nor the investment manager guarantees or assures the repayment of capital or the performance of any product or portfolio or any particular rate of return. Investors should be aware that, in some instances, they may lose the value of entire investments.

4. Accuracy and Reliability of the Information

The Information is made available in good faith and is obtained from sources that are believed to be reliable and accurate as of the date and time published or indicated on the Website. However, the Company does not independently verify the Information, which may not be complete or accurate enough for specific purposes of users. The Company may neither update the Information frequently nor is liable to do so. In addition, it is not obliged to make any correction even if some of the Information may prove inaccurate subsequently. Any opinions or forecasts offered in the Information are subject to change or withdrawal without any prior notice. The Company and its affiliates and their respective officers, directors and employees make no representation or warranty or take responsibility as to the reliability, completeness, timeliness, and accuracy of the statement contained on the Website or third-party websites hyperlinked from the Website. The Information does not constitute any preliminary material provided to investors before they make an investment in any securities or financial instruments.

5. Use of the Information

While the Information is prepared based on those obtained from sources that the Company or any of its affiliates believe to be reliable, it may not reflect the most current contents that became available after the Information was last updated or posted on the Website. Therefore, it is your responsibility to use the Information at your own risk and to check if there may be more current data available that may affect your investment decision. Past performance of financial securities or instruments does not guarantee, assure, or indicate the future results.

6. Limitation of Liability

Any condition or liability that is required by the Financial Instruments and Exchange Act or other applicable laws cannot be excluded, restricted, or altered under the terms and

conditions of the Website, if such exclusion, restriction, or alteration is illegal, or if any provision contained in the terms and conditions of the Website is invalidated. Subject to the foregoing, any liability or guarantee with respect to the Information is explicitly disclaimed and excluded. Users of the Website may access third-party websites linked thereto, provided that the Company shall not be held accountable, within the legally acceptable limit, for any errors, omissions, or misrepresentations on such websites.

7. Copyright

All copyrights with respect to the Information are the property of the Company or any party which provides such information to the Company ("Information Provider"). The Information cannot be duplicated, retransmitted, delivered, sold, distributed, published, broadcast, circulated, used for commercial purposes, modified, or altered without the prior written approval of the Company or an "Information Provider." In addition, users of the Website agree not to use the Information for unlawful purposes. Users who download the Information agree not to erase or remove the copyrights thereto or other contents therein.
